11DAYS AND 10NIGHTS TANZANIA UNFORGETTABLE WILDLIFE SAFARI, TREKKING, CULTURAL TOUR & TRAINING AND BEACH HOLIDAY SAFARI

DAY 1 ARRIVAL AND TRANSFER TO ARUSHA

Welcome to Tanzania Northern side the beautifully land of wonders and un-ended adventures , welcome Arusha land of touristic

We will start safari adventures when you arrive at Kilimanjaro International Airport, you will meet Karibu la kossa safari guide and he\she will board you with the vehicle and drive to arusha for dinner and overnight stay, you will arrive at accommodation for a shower and meals. After dinner you will get a time to discuss with your safari guide about the next day and you will get to your rooms for some rest and relaxation after a full day of flight and drive.

Giving yourself the opportunity to get ready to the next day safari and enjoy the first night in African land

DAY 2 NGORONGORO CONSERVATION AND CRATER

After an early morning breakfast, we will drive to Ngorongoro Crater, as it is the best time to spot animals. On this day, we will enjoy a game drive around the crater and stop for a picnic lunch at a small lake within the park. The lake is home to many hippos and migratory birds, so you will be sure to enjoy the visit! Due to the animal “oasis” created within the crater, there is a high possibility of spotting every member of The Big five. The group comprises some of the strongest animals in Africa – the ferocious lion, the giant elephant, the stealthy leopard, the charging rhino and the mighty water buffalo. After a lovely afternoon of animal sightings also we’ll come across Maasai boma to learn about maasai culture and seeing while dancing and sing lovely and morals songs also you will get a chance to practice train some local activities with Maasai families and drive back to Karatu for accommodation

DAY 3 HADZABE AND DATOGA VISITS

This unique day starts at 5 am in the morning or earlier after breakfast depending on how you'll discuss with your safari guide. You are expected to meet with the Hadzabe and Datoga. You'll cooperate with bushmen and go on a hunt with them you'll get opportunity to experience hunting training. During hunting you will participate in a variety of activities such as honey harvesting, berry collecting, and bush walking tour and having a bush local lunch. The local hunters will prepare a explanation of hunting techniques just for you. After spending the day with the bushmen, you will go to their neighbour tribe Datoga, who are pastoralists and talented blacksmith who create swords, and other iron equipment just by themselves They will be happy to share with you their experience and discuss their regular daily activities with you, after all you'll have the opportunity for a drive around Lake Eyas and back to Arusha for accommodations. after dinner there will be traditional dance training.

DAY 4,5,6 SERENGETI NATIONAL PARK

Early morning after the breakfast we will drive to Serengeti on a road near the rim of Ngorongoro crater, allowing for animals' sightings along the way. The golden savannah and endless plains, teeming zebras, wildebeest and giraffes make it easy understand why the Serengeti is one of the seven natural wonders of Africa. On this day, we will enjoy our picnic lunch on Naabai (a small, rocky hill in a generally flat area), where you will have the opportunity to view Serengeti's famous pink-headed lizards. After lunch, we will proceed further into the plains for a leisurely game drive. You will spend the night at the camp, and fall asleep to the payful calls of the zebra and hyena .as with guaranteed with each tour, guests are provided with comprehensive camping facilities or lodges.

Next day we will be in the day in heart to Serengeti. the animals found in the Serengeti are extremely diverse so visitors will likely enjoy views of lions, leopards, elephants, cheetah, water buffalo, zebras, and wildebeest. In addition, elands, hyenas, gazelles, crocodile, giraffe, zebras, monkeys, baboons, hippos, rhinos, and antelopes are all found within the park. Don't worry about time of year of your safari, because there are animals within the Serengeti all year. After the game drive a delectable dinner will be served at campsite or lodges next day drive to mto wambu.

DAY 7 CULTURAL TOUR AT MTO WAMBU

This day will be an official day to mingle with the locals, you will do a cultural tour by bike or tuk tuk (bajaji) depends on how you would like to, the tour will involve various places including visiting rice fields and bananas to learn the various methods used by the locals in producing crops, irrigation methods and learning and seeing the different types of bananas and their uses, we will also visit primary schools and kindergarten to see how the issue of education reaches the locals and learn and will have some time to spend with the children for some minutes, then our journey will continue by visiting the Lake Manyanya there we will meet the local fishermen while they are in their fishing activities and if you like then you will have time to cooperate with them and learn how they catch fish and how they check their nets when they have caught fish there we will also be able to see birds like arab stock in abundance and very close also hippos, later we will go to Local mamaah, for lunch, good local food. This day there will also be for training in traditional things including traditional dancing, tinga tinga painting and traditional Tanzanian food recipes. In the evening we will go to a small playground with children if you prefer next day drive to

DAY 8 DRIVING TO DAR ES SALAAM

This day after breakfast we will start the journey by using extra luxury buses share with the locals to Dar es Salaam, where the journey will take half of the whole day until we reach Dar es Salaam on the way you will be able to see many interesting things including large plantations of sisal and various mountain ranges and many other things that will be happening during the trip. Shortly after arriving, you will transfer with your private transport and start heading to the lodge where you will take a shower and rest After a full day in buss and having dinner at the lodge, then in the evening go for a night walk in the city of Dar es Salaam, a city full of all kinds of business and pleasure, the locals of this city are very civilized and very generous, you will learn many things and see for yourself how people live in Tanzania, you will have the chance to taste various seafood and farm foods, you will have the chance to join in various shows that night including jazz band, traditional dances and other hits and then return to the hotel to rest and getting ready for the next day

DAY 9&10 KIGAMBONI BEACHES

This day will be an official day to mingle with the locals, you will do a cultural tour by bike or tuk tuk (bajaji) depends on how you would like to, the tour will involve various places including visiting rice fields and bananas to learn the various methods used by the locals in producing crops, irrigation methods and learning and seeing the different types of bananas and their uses, we will also visit primary schools and kindergarten to see how the issue of education reaches the locals and learn and will have some time to spend with the children for some minutes, then our journey will continue by visiting the Lake Manyanya there we will meet the local fishermen while they are in their fishing activities and if you like then you will have time to cooperate with them and learn how they catch fish and how they check their nets when they have caught fish there we will also be able to see birds like arab stock in abundance and very close also hippos, later we will go to Local mamaah, for lunch, good local food. This day there will also be for training in traditional things including traditional dancing, tinga tinga painting and traditional Tanzanian food recipes. In the evening we will go to a small playground with children if you prefer next day drive to
